**[Official organization handbook of the Federal Government]**

Presents authoritative information about Government agencies.

Describes the creation and authority, organization, and functions of the agencies in the legislative, judicial, and executive branches.

Provides supplemental information including brief descriptions of quasi-official agencies and selected international organizations.

Includes approximately 40 charts showing the organization of the Government, the Senate, the House of Representatives, the departments, and the major independent agencies.

Provides information on executive agencies and functions of the Federal Government abolished, transferred, or terminated subsequent to March 4, 1933.

Lists several hundred representative publications showing the types of published materials available from Government establishments.

Contains a literal print of the Constitution of the United States, its signers, and amendments to date; an alphabetical listing of names mentioned in the Manual; and a comprehensive index.
